For some weeks past Mr. H. C. Greenlee, of Conneaut, has been holding a musical institute here at the Town Hall and its mileage of this giant corporation, and we give elsewhere a complete official table of the different lines which it operates, together with a map showing the Hall and its mileage of this giant corporation, and we give elsewhere a complete official table of the different lines which it operates, together with a map showing the Hall and its mileage of this giant corporation, and we give elsewhere a complete official table of the different lines which it operates, together with a map showing the Hall and its mileage of this giant corporation, and we give elsewhere a complete official table of the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates, together with a map showing the different lines which it operates to Chicago & North-Westera Railway is 2,-15814. This is the greatest mileage operated by any company in this country. It is made up of six divisions of the Chicago & North-Western proper, and eight Mrs. E. F. Wiley, who for two years past has been suffering from a complication of diseases, died last zunday, 23d is subdivided, into twenty lines and inst., at 8:30 p. m. About one year ago she became partially deranged and was sent to the Asylum at Newburgh. She returned from there in her right mind, order, and the splendid condition, financial as well as physical, which the prop-erty now exhibits is sufficient testimony to the ability of the management. The nucleus of this great system, the old Galena & Chicago Union railway, was opened from Chicago to Elgin, 42 miles, in 1850, only twenty-eight years ago. The Chicago & North Western Railway Com-Chicago & North Western Railway Company came into being, as the successor of the Beloit & Madison, Rock River Valley Union, and Chicago, St. Paul & Fond du Lac companies, in 1859. In 1865 the Galena & Chicago Union was consolidated with it, and in the lew short years that have followed the young corporation has gone torward with astonishly rapid strides, to its present proud position. What its future enlargement may be is left to imagination. A study of the map which shows the system, already reaches which shows the system, already reache into five States and a Territory prove suggestive of possibili ahead.—R. R. Age. Dec. 12, 1878.

> The New York Herald has been looking over the business that is annually trans-acted by the Chicago & North-Western Railway Company, and the more the writer considers it the more he wonders at the immense magnitude of its transactions, the great length of its lines, the in-comparable wealth, fertility, and expan-siveness of the sections that it penetrates and the brilliant future which this gigantic corporation has before it. In collecting the data for its article, the Herald finds that the North-Western operates 2.100 miles of road, and reaches every important point almost in Northern Illi-nois, Wisconsin, in Northern Michigan, Iowa, in Minnesota, and ruus many miles in Dakota. It its lines were laid east ward from New York they would extend more than two-thirds of the way across more than two-thirds of the way across
> the Atlantic, or they would reach from
> the pine-clad hills of Maine to the sunny

> River at Council Bluffs, opposite Omaha
> —here is a single run of nearly 500 miles
> Back to Chicago again you look north. County Rifle Club hold their regular tournament at their range December 16th, 17th and 18th. Professor Darght, of Wheeling, one of the Creedmore team, is expected to be present... A skating park has been projected, and quite a fund has been raised. The work will be begun immediately. The young people are much pleased at the prospect. A special grand jury convened on Monday, with Mr. John Swan, a colored man, as one of the jurymen. He is the first of his race who has ever served in that capacity in this county.
>
> The Atlantic, or they would reach from the pine-clad hills of Maine to the sunny shores of the Gulf of Mexico. The Herald continues: Take down your map and trace its routes. Fix your eye on Chleago as a starting point. Westward in nearly an air-line you will trace its Callifornia line until you reach the Missouri Fixed trace its routes. Fix your eye on Chleago as a starting point. Westward in nearly an air-line you will trace its Callifornia line until you reach the Missouri Burght for the Council Bluffs, opposite Omaha—here is a single run of nearly 500 miles Back to Chicago again you look northwest and follow another of its routes the Missouri Burght for the proposite Omaha has ever served in that capacity in this county. and Minneapolis—this is 400 miles more. Again looking from Chicago you cau trace a line through Sparta, Wisconsin, La Crosse, in the same State; Winona, Owatonna and New Ulm, in Minnesota, and northwestward far into Dakota—here we have 625 miles more of road. Again, coming to Chicago, we see two lines run-ning northwardly—one along the lake shore to Milwaukee, and thence to Fond shore to Milwaukee, and thence to Fond du Lac, and the other running more inland, through Janesville, Watertown, etc., also to Fond du Lac; thence north. through Oshkosh, De Pere, Green Bay and Escanaba, Negaunee, Ishpeming and Marquette—here is another 440 miles of road. Then we have a line from Chicago to Elgin, Rockford and Freeport; another from Clinton, Iowa, to Anamosa, in the same State; another from Kenosha, on Lake Michigan, to Rockford, in Northern Illinois; and, after all longer lines, we have many short spans to traverse before

have many short spans to traverse before we have found out all of the Chicago & North Western Railway. The surprise and admiration that are here manifested by the writer of the colossal transaction of this single railway corporation—the natural offspring and product of the city of Chicago—we find other similar food to feed upon in the great West if he will take the trouble to look about him a lit-
